

THE CENTER FOR AQUACULTURE TECHNOLOGIES CANADA

Aquaculture Technologist-Fish Health

The Center for Aquaculture Technologies Canada, a private aquaculture innovation and research company, is seeking an **Aquaculture Technologist** to assist in the daily operations of its R&D Facility in Souris, Prince Edward Island. This is a full-time, permanent, position and will begin immediately with the successful candidate reporting to the Director of Fish Health. Our research team focuses on providing high quality contract R&D support and professional services to the aquaculture industry.

The successful candidate(s) will be a key member of CATC Fish Health team with the following responsibilities:

- Assist in the daily operations of the aquarium facilities in compliance with regulatory guidelines.
- Performs daily husbandry and equipment monitoring including data collection in compliance with standard operating procedures, and good laboratory and clinical practices.
- Assists in setting up and decommissioning of aquaculture systems.
- Expected to work weekends on rotation.

Desired skills/experience/competencies:

- A minimum of a high school diploma.
- Experience handling and maintenance of animals and/or aquaculture systems.
- Experience working in a laboratory setting including responsibility for documenting tasks.
- Willingness to learn new skills and to perform routine and repetitive tasks.
- Ability to work as part of a team in compliance with facility standard operating procedures
- Physically able to handle tasks that could include lifting, bending and climbing.
- Self-motivated with a demonstrated ability to think creatively and solve problems.
- Fosters a positive work environment congruent with the company values and philosophy.

CATC offers a competitive salary and benefits including group health care and retirement savings plans.

Please send CV/Resume and provide the contact information for three references to: info@aquatechcenter.com with 'Aquaculture Technologist-Fish Health' as the subject line.

Applications are accepted until the position is filled; only candidates selected for interview will be contacted.
