

FEBRUARY 3-5, 2008 VANCOUVER, B.C., CANADA WESTIN BAYSHORE RESORT

## Apply today to attend BioPartnering North America Vancouver, BC – February 3-5, 2008

BioPartnering North America (BPN) is supported by leading pharmaceutical, biotechnology, financial and service companies from around the world. This key partnering event offers companies a focused business development experience that is consistently excellent, efficient, and cost-effective.

Technology Vision Group LLC in partnership with BIOTECCanada has provided a limited number of bursaries for graduate and post-graduate students studying in a biotechnology-related program in Canada. The bursaries provide full registration to the conference, travel costs (for students residing outside of Vancouver and area), and accommodation for 2 nights close to the conference venue.

Eligible students will be randomly selected from the pool of qualified applicants. **Only successful candidates will be notified.**

### Eligibility:

- New applicant (must not have received the bursary in the past)
- Your application must include all of the following:
  - This form completed, signed and dated
  - CV / résumé
  - Official letter from academic institution/supervisor confirming enrollment and the benefit for your participation

*Successful applicants are responsible for arranging their own travel and submitting receipts to BIOTECCanada no later than Feb. 22. You will also be required to submit a 250 word biography and digital photograph (for use on website) by Jan. 11, 2008.*
